

# Phytotechnologies

## 6th International Conference

International Phytotechnology Society

Dec. 1-4, 2009 • Hyatt Regency, St. Louis Riverfront

### Register online at <http://phyto.mst.edu>

Join us for the 6th International Phytotechnologies Conference Dec. 2-4, 2009, at the Hyatt Regency, St. Louis, Missouri. This conference will explore technologies and issues relating to the use of plants to address current and emerging environmental challenges. Overall, the conference endeavors to address how best to integrate research science and field applications using plants to remedy environmental problems.

#### Topics of interest:

- Phytoremediation Research on Fate and Contaminants
- Phytoremediation Field Projects
- Use in Developing Economics
- Ecorestoration and Habitat Creation
- Biofuels
- Greenroof Technology
- Carbon Sequestration
- Vegetative Covers
- Constructed Wetlands
- Phytomonitoring
- Molecular Engineering

### Abstract Submissions Due June 30, 2009

For details and sample of abstract form go online to <http://phyto.mst.edu>

The subject of the abstract must include the use of plants, plant matter, or planted systems to address environmental problems. The topics can cover understanding how these processes work at the genetic and biochemical level, greenhouse trials, application and sustainability of the technology.

### Pre-Conference Workshops Dec. 1, 2009

- **Phytotechnology:** This practical, how-to workshop and document will focus on using the resources and tools provide in ITRC's Phytotechnology Technical and Regulatory Guidance and Decision Trees (*Phyto-3, 2009*)
- **Greenroof Technologies & Related Practices in Buildings**

### Exhibitors

Reserve your booth space now!  
Details online at <http://phyto.mst.edu>

Provisions include:

Full registration for one person  
10' wide x 10' floor space  
One 8' skirted table, 2 chairs

Hyatt Regency, St. Louis Riverfront

### Room Reservation

Special conference rates of \$99 per night are extended to conference attendees – to make reservations online, use link provided on the conference website; or call 800-233-1234, or, if local,

314-655-1234. You must reference "Phyto Conf" to receive these rates.

### Keynote Speaker TIME magazine's "Hero for the Planet"

**Dr. Peter Raven**, one of the most acclaimed scientists in Missouri history and one of the world's leading botanists and advocates of conservation and biodiversity, will deliver the keynote address on Dec. 2, 2009. Dr. Raven is the director of the Missouri Botanical Garden and Chairman of the National Geographic Society's Committee for Research and Exploration.

### Dates and Deadlines

Abstract Submission  
June 30, 2009

Notification of Acceptance  
August 30, 2009

Hotel Reservations  
(special conference rate of \$99)  
November 1, 2009

The 6th International Phytotechnologies Conference is hosted by
